51 CHECK: DATE					

This is a much scattered boundary, mostly turf covered with large slabby stones (Caithness flags) and boulders protruding. It is visible in places looking like a disconnected series of long cairns of stone parallel to the Achnaclyth road. Between Loedebest wood and the gate across the road, the bank seems to reappear above the cairn field at NJ 148 306 (ND 135443)
