ALLT FASACH  
Mound

NG25NE 20 2637 5746.

On gently sloping ground just to the N of the Allt Fasach is a grass-grown mound measuring 6.5m in diameter and 1m in height. On the

NE side it has been disturbed by a drain and appears to be composed predominantly of soil.

(WAT90 1162)

Visited by RCAHMS (DCC) 3 October 1990.
