Dear Bob

Please find enclosed:-

- 1) FE Map No 15 showing position of Borgie Shielings in pink at NC 668503.

Finder - Mr Innes MacLeod, Forest Enterprise.

- 2) FE Map No 5 showing location of spindle whorl find.

ND 109522

The whorl was found by a tree planter on an area mounded by machine. No known archaeology features lie close to the find, but archaeology features, underlined in red, are within the vicinity of the find.

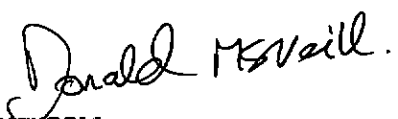

It is acceptable for the find to be sent to the Caithness Museum Service, but the finder should be acknowledged in display.

Finder - Mr Kenneth Gow, Forest Enterprise.

- 3) Position (NC 626057) of fine hut circle just above roadside cutting and below powerlines. Almost opposite parking areas on south side of A839.
- 4) Group of shielings in Glen Einig, photograph enclosed (NH 363977), in green grassy areas in middle distance, left to centre of photograph.

Please let me know if you require any further details.

Yours sincerely

D MCNEILL
for Forest District Manager
