REMARKS

- John, Kintreochie, Block 236
- Mr Fraser has received C¹⁴ data from sampled peat
@ 3300 - 3235 c.l BC (95.1.)
 - re possible excavation (Hick Scot's just permitting I assume)
he wants to know whether you prefer proposed site area
left as grass or shallow ploughed.
 - give me a ring sometime re. Hick Scot's bid
