Y ☒ N ☐

DO YOU WANT YOUR NAME IN THE HER ?

We will assume that you do not, unless you tick Yes

Y ☐ N ☒

- When labelling digital photographs, please label both the CD and the filename/s and write this information of this sheet. Use meaningful file names please
- Submit one form per site
- Ensure that digital images are no bigger than 1mb, although do not worry if they are - we can change the file size
- If you have not taken the photograph yourself, please make sure that you have copyright permission
- if not the HER cannot accept the image...
