IMPORTANT

- When labelling printed photographs, please use a soft marker pen, NOT a biro or fountain pen
- When labelling digital photographs, please label both the CD and the filename/s and write this information of this sheet.
Use meaningful file names please
- Submit one form per site
- Ensure that digital images are no bigger than 1mb, although do not worry if they are - we can change the file size
- If you have not taken the photograph yourself, please make sure that you have copyright permission
- if not the HER cannot accept the image...
