**Detailed description, further notes, observations**

Built under 3m high cliff overhang, open at bay end, L-shaped wall of stones which may have been roofed to provide a shelter. This bay was used for the import of cattle from Barra to be driven to market along drove roads, ? to Falkirk, so it may have been a shelter for the drovers.

**Present land use**

None

**Past land use**

Rough grazing at back

**Present vegetation cover**

Heather, grass

**Nearby monuments or associated features**

None

**Topography**

Rocky hills
