Detailed description, further notes, observations – *continued on next page*

Dwelling or animal enclosure, 5 x 4m, high on slope, tucked against hill, with adjacent shieling huts. This is high above the beach, and there is no sign here of worked fields, so it suggests pastoral activities, so Fold is more likely interpretation.

Present land use

Very steep, rough grazing

Past land use

Rough grazing

Present vegetation cover

Grass, bracken across building sites

Nearby monuments or associated features

Topography

Bowl in steep hillside

Nearby, associated or incorporated natural features
